

Request to Change Locks

Date: _____

Dear *(landlords' name)* _____,

I am a tenant at *(address)* _____. I request that you promptly change the locks to my unit because I am a victim of domestic violence, dating violence, sexual assault, or stalking. (ORS 90.459).

Please change my locks by *(date)* _____. If the locks are not changed by this date, I will change the locks myself and provide you with a key.

(Check the box below if your abuser lived with you AND you have a restraining order against them that says they must move out of your rental unit.)

- Optional:** The person who abused me *(name)*: _____ is also a tenant in the same dwelling unit as me. I have a restraining order against them that requires them to move out of our rental unit. Attached is a copy of my restraining order. After you change the locks, you may not:
- Give a new key to this person,
 - Allow this person back into my rental unit to collect their belongings (unless there is a court order that requires you to do so), or
 - Require me to pay increased rent or an additional deposit because this person moved out.

Thank you,
